The United Way of Union County Salutes your Service!

Since 1958, the mission of The United Way of Union County has been to bring neighbors and resources together to improve lives locally. Our Veterans are important members of our community and we thank you for your service.

Consider a gift to UWUC and help us make 100% impact in our community to help support the growing funding requests of our 26 partner agencies and 40 programs!

GIVE UNITED
